Description

The definitive guide from the makers of the GMAT examThe GMAT Official Guide 2019 is the definitive guide from the Graduate Management Admission Council, the makers of the GMAT exam. It contains over 900 real GMAT questions from past exams, including 130 never-before-seen questions, plus the following features:An overview of the exam to help you get familiar with the content and format Detailed answer explanations that explain how the test maker thinks about a question Actual essay topics, sample responses, and scoring information Comprehensive grammar and math review Questions organized in order of difficulty from easiest to hardest to focus your study Access to the same questions - plus additional integrated reasoning questions - online at gmat.wiley.com, where you can build your own practice sets Don't waste time practicing on fake GMAT questions. Optimize your study time with the GMAT Official Guide 2019 using real questions from actual past exams.

We've made it easy for you to make that decision by giving you a comparison of the recent editions of the GMAT Official Guides in terms of real past GMAT questions contained in those books and the difference between the various editions of the official GMAT guides.Total 1007 real past GMAT questionsNo new questions in Quant & Verbal compared to GMAT OG 2021 & GMAT OG 2020100 new questions in Quant & Verbal compared to GMAT OG 2019230 new questions in Quant & Verbal compared to GMAT OG 2017490 new questions compared to GMAT OG 2015Watch Video: OG vs Actual GMAT | Difficulty comparisonTotal 1007 real GMAT questionsNo new questions in Quant & Verbal compared to GMAT OG 2020100 new questions in Quant & Verbal compared to GMAT OG 2019230 new questions in Quant & Verbal compared to GMAT OG 2018352 new questions in Quant & Verbal + 8 new IR questions compared to GMAT OG 2017490 new questions compared to GMAT OG 2016691 new questions compared to GMAT OG 2015Total 1007 real GMAT questions100 new questions in Quant & Verbal compared to GMAT OG 2019230 new questions in Quant & Verbal + 8 new IR questions compared to GMAT OG 2017490 new questions compared to GMAT OG 2016691 new questions compared to GMAT OG 2015Total 907 real GMAT questions130 new questions in Quant & Verbal compared to GMAT OG 2018252 new questions in Quant & Verbal + 8 new IR questions compared to GMAT OG 2017390 new questions compared to GMAT OG 2016591 new questions compared to GMAT OG 2015Total 907 real GMAT questions122 new questions in Quant & Verbal + 8 new IR questions compared to GMAT OG 2017260 new questions compared to GMAT OG 2016461 new questions compared to GMAT OG 2015Total 907 real GMAT questions130 new questions compared to GMAT OG 201631 new questions compared to GMAT OG 2015Total 907 real GMAT questions.201 new questions compared to GMAT OG 2015Total 907 real GMAT questionsSame as the Official GMAT Guide 13th edition/previously they had 11th edition, 12th edition, 13th edition etc. Return to top of page Yes. Updated GMAC © Official Guides - The Master Directory [#permalink] 20 May 2017, 02:25 The GMAT™ Official Guide 2022 series has many new features and enhancements. However, just like the 2021 edition, which had no new questions added to the book compared to the previous year's book, the GMAT Official Guide 2022 edition does not include any new questions compared to 2021. Is it worth spending on the New GMAT Official Guide OG 2022 edition in order to prepare for the GMAT exam? So in terms of published questions, the book overlaps with the GMAT OG 2021 and the GMAT OG 2020. But remember that the 100 new questions in the GMAT Official Guide 2020 edition are mostly in the Easy question category. The Verbal Review and Quantitative Review are designed as supplements to the main GMAT™ Official Guide and offer additional, unique practice questions for students who have exhausted questions in the main GMAT™ Official Guide. Return to top of page The GMAT™ Official Guide 2022 series are the ONLY study guides that feature real questions from past GMAT exams, offered exclusively from the makers of the exam. Return to top of page You can purchase all three official guide eBooks (GMAT™ Official Guide 2022, GMAT™ Official Guide Verbal Review 2022 and GMAT™ Official Guide Quantitative Review 2022) at mba.com/store. Moreover, the additions made in 2020 vs 2019 were in the Easy and Medium level questions. The answer is an unqualified Yes for those who do not have any previous edition of the GMAT Official Guide. Finally, you will have access to quick reference quantitative sheets to review common formulas and concepts to master the quantitative section of the GMAT exam. The flashcards do not use retired GMAT questions; rather they contain simpler problems and explanations of concepts. Each title in the GMAT Official Guide 2022 series -GMAT™ Official Guide 2022, GMAT™ Official Guide Verbal Review 2022 and GMAT™ Official Guide Quantitative Review 2022-has its own separate bank or inventory of questions. There are two ways to access the Online Question Bank: In the Official Guide 2022 print books, you will find an access code on the inside front cover. The Hard questions published in the GMAT OG 2020 overlap exactly with those in the GMAT OG 2019.If you have either the 2018 or 2017 editions, then you are looking at over two-thirds of overlapping questions and about 230 or 352 new questions respectively. Also remember, the overall quality of questions in OG 2016 was a lot better than in 2015, and the trend continued till 2019. The 2022 series offers more questions and features, but the questions in the old edition can still be a useful study guide. Each review chapter has 25 additional practice questions related to the content that is being covered to help test your understanding along the way. The Online Question Bank contains over 150 flashcards. Return to top of page We generally recommend starting with the GMAT™ Official Guide 2022 because it offers more questions than the Verbal Review and Quantitative Review combined. Since there are close to 500 new questions, it would definitely be worth purchasing the GMAT OG 2022 book.On the other hand, if you do not have any GMAT Official Guide to refer to, or have the Official Guide for GMAT Review 2015 editions, then there is no doubt that you will have lots to gain by purchasing the new book. Visit to enter your code and get online access to the same questions that are in the GMAT™ Official Guides. To purchase the eBook, go to . The GMAT Official Guide 2022, the latest GMAT guide available in the market (it was released in mid-2021, as is the practice every year). It includes an online exclusive Diagnostic Evaluation, a brand-new Verbal Review chapter, an updated Math Review chapter, quick reference quantitative sheets, and updated answer explanations for over 170 questions. This gives each test taker options that works best for him or her. The GMAT™ Official Guide 2022 has online exclusive Diagnostic Evaluations for Quantitative, Verbal, and Integrated Reasoning sections within the Online Question Bank. An additional 170+ questions are available in the Online Question Bank Online Diagnostic Evaluation also includes 84 additional questions GMAT™ Official Guide Verbal Review 2022 contains 348 questions. These diagnostic evaluations will help users assess their preparedness and target where they should focus their studies. The new answer explanations offer an updated approach to solving GMAT exam questions. So, you are getting not only a substantial number of new questions, but also better quality questions. Return to top of page Your official source of real GMAT™ questions from past exams. The questions can also be accessed on mobile devices through the Wiley Efficient Learning mobile app and used in offline mode. GMAT™ Official Guide Quantitative Review 2022 contains 373 questions. The GMAT™ Official Guide 2022 contains 1045 questions. Last edited by carcass on 03 May 2021, 13:33, edited 38 times in total. Once purchased, you will receive an email with instructions for downloading the eBooks and getting access to the Online Question Bank. These flashcards are designed to test users on the individual concepts that make up a GMAT question. And as in past editions, you purchase includes access to the Online Question Bank: The Online Question Bank for the Official Guide 2022 series includes an online tool that allows users to create customized practice sets using questions in the Official Guide series. The 13th edition was converted to OG 2015 edition)What the above analysis tells us that if you already have the OG 2021 or even the OG 2020 or 2019, it does not make much sense purchasing the new official GMAT guide 2022 release. So, the money will be better spent purchasing some other Official GMAT Prep Material such as Exam Pack 1 and/or 2, rather than the GMAT OG 2022 guide.But if you have the 2016 edition, then you are looking at 517 overlapping and 490 new questions. The book is a must for GMAT preparation. The new editions include a brand-new Verbal Review chapter in the GMAT™ Official Guide 2022 and GMAT™ Official Guide Verbal Review 2022 and GMAT™ Official Guide Quantitative Review 2022. These review chapters were designed to present many core concepts and fundamental skills that could be tested on the GMAT. (to make sure you purchase the correct book, look for the book title: Official Guide for GMAT 2022 edition). The Official Guide 2022 eBooks (accessible through our partner, VitalSource Bookshelf), includes access to the Online Question Bank. The GMAT OG 2022 has over 1000 questions. Recognizing that time is of the essence when taking the GMAT exam, alternative solutions have been added to some questions to offer multiple approaches for arriving at the answer. Print editions of these books can be purchased from other online and brick & mortar retailers. The OG is an indispensable part of your GMAT preparation journey and complements additional resources you might use for such as Online GMAT study materialAnd before you start using the guide to prepare for the GMAT exam, don't miss these 3 Expert Tips for using GMAT Official Guides 2021 2022 which will improve your learning from the book.You can even watch the video here: 3 Expert Tips for using the GMAT Official Guide 2021 2022Now, what if you have already purchased, or have access to, any of the previous editions of the GMAT Official Guide or GMAT OG as it is popularly called (officially titled as Official Guide for GMAT Review). Over the last few editions of the GMAT OG, we are noticing a good improvement in Reading Comprehension questions and in the Medium to Medium-High range of Quantitative questions.Best of luck for your GMAT Prep! It too comes with access to the Online Question Bank. However, in the online question bank that comes complimentary with the book, you can access an additional 170 unseen questions that are exclusive to the online companion to the GMAT OG 2022.So the question is: Should one buy the latest edition of the GMAT Official Guide i.e. GMAT OG 2022 book? Return to top of page The GMAT™ Official Guide 2022, GMAT™ Official Guide Verbal Review 2022 and GMAT™ Official Guide Quantitative Review 2022 all use real questions from past GMAT™ exams.
